RE: Your letter dated April 28, 1998

Our Account ID Number: C00223073

Subject: Missing employer information for second half of 1997.

Dear Mr. Kell:

In response to the above referenced letter, please be aware that I had not taken on the job of Campaign Treasurer until February 1997. I was unaware of the missing information on our 1997 reports filed by my predecessor. Since receiving your letter I have reviewed our report and found the individuals whose employer information is missing.

In order to make this process as quick and efficient as possible, I am enclosing the following documents for your consideration.

1. A table showing the names, addresses and 1997 contribution amount of each individual in subject.
2. A sample copy of the letter that I am mailing to each and.
3. A copy of the form that I have asked them to complete and return to me.

At this time I will ask that you compare the names on the table to the list of names from your review to be sure I am contacting all the necessary parties. If I have overlooked any I would appreciate knowing who they are.

It is my intent to complete this process as quickly and efficiently as possible. Our mutual cooperation is, of course, beneficial to both of us. As soon as I received answers back from these individuals I will file an amended report.

Yours truly,

Bill Dubay, Campaign Treasurer
